

■ Acme Corp Employee Policy Handbook

1. Vacation & Leave Policy

All full-time employees at Acme Corp are allocated 24 days of paid annual vacation leave per calendar year. Leave accrues monthly at a rate of 2 days per month. Unused vacation days can roll over to the next year, subject to a maximum cap of 5 rollover days. Any excess unused leave is forfeited at the end of the year.

To request leave, employees must submit a request through the HR portal at least two weeks (14 days) in advance. Manager approval is required for all leave requests.

2. Expense Reimbursement Guidelines

Acme Corp reimburses employees for reasonable business expenses incurred in the course of their duties. For small expense amounts (under \$50), manager approval is NOT required. However, the employee must keep a digital copy of the receipt and submit it by the end of the month.

For larger expenses (exceeding \$50), employees must obtain written email pre-approval from their manager BEFORE making the purchase. Reimbursements are processed bi-weekly along with the payroll.

3. Work from Home (Hybrid) Agreement

Acme Corp supports hybrid working environments. Employees are permitted to work from home up to 2 days per week. The remaining 3 days must be spent in the local office. Teams must coordinate to ensure coverage is maintained.
